

A romantic scene of a bride and groom walking away from the camera down a wide gravel path. The groom, on the left, is wearing a light-colored suit and has his arm around the bride. The bride, on the right, is wearing a white wedding dress with a lace back and is holding a bouquet of flowers. The path is flanked by tall, slender cypress trees on the right and a large bush of lavender on the left. The background shows more trees and a clear sky.
